

5-DAY LUMBER GRADING SHORT COURSE

September 21-25, 2015 | Northeast Michigan Council of Governments | Northeast Michigan Works
Patchwood Plaza
14797 State Street South | Hillman, MI 49746

The value of "rules conscious" employees is a more carefully manufactured product, a more profitable yield from the log, and a better sense of the value of the lumber being handled. This five-day workshop will include a thorough study and explanation of the NHLA Rules Book, emphasizing the basics of hardwood lumber inspection.

This popular workshop gives yardmen, sawyers, edgermen, sales and office staff, and management level personnel an introduction to lumber inspection. Classes will begin at 8 a.m. and end at 4 p.m.

INSTRUCTOR

This five-day short course will be taught by Barry Kibbey, NHLA National Inspector.
