### Blessing of the Bikes & ATVs

We had a decent turnout at this year's blessing despite the rain. We were thankful the rain stopped during the blessing and didn't resume until after things were wrapped up.

We want to thank all our sponsors and those business and individuals who donated a door prize this year.

### Montmorency County Commission on Ageing

Is a not-for-profit, non-political organization patterned after the Older Michigan Act, with the purpose of coordinating and implementing public and private programs that promote and safeguard the independence, welfare, and dignity of the senior citizens in Montmorency County. Their 32 employees and additional volunteers provide services for those in Montmorency County that are 60 or older who could use help with maintaining their independence within their homes. The services they provide include meals on wheels, congregate meals at the Atlanta, Hillman, and Lewiston senior centers, in-home services of personal care, homemaking and respite care, referral services, educational programs, grandparents raising grandchildren grants, and much more. They are also

involved in Project Fresh where fresh foods can be purchased at local Farmer's Markets. They have an extensive loan closet full of items such as wheelchairs, shower chairs, walkers, crutches, canes, tub benches, toilet risers, bed commodes, an electrical seat lift, and even a hospital bed. They have a Senior Companion Program where someone will visit your elderly loved one just to check in on that person, providing them security and company. Every six months they deliver a bag of emergency, non-perishable food to ensure clients have adequate food in their homes. They provide private duty services by their RN for foot care and medication set-up in addition to in-home private duty services.

With the exception of private duty services, provided services are based on suggested donations. A monthly service summary detailing services performed and their value is provided to the client and client's family so they can donate accordingly. Services are provided based on need and not on finances. Funding for MCCOA comes from Federal, State, and USDA funding sources, county millages, donations for services, and grants or fundraising efforts. MCCOA was incorporated in 1974.

Office hours are Monday Through Friday from 8:00 a.m. to 5:00 p.m. at 11463 McArthur Road in Atlanta, Michigan. If you know of any Montmorency County senior that could use the MCCOA's services please call 989-785-2580. Learn more at [www.montmorencycoa.org](http://www.montmorencycoa.org)
