### May 19<sup>th</sup> - Highway cleanup

Mark and Lorraine from the Hillman Area Chamber of Commerce picked up trash on the side of the highway May 19<sup>th</sup> in preparation for the Blessing of the Bikes & ATV's event.

### Skeeter the Advance Clown

Skeeter the Advance Clown is scheduled to be in Hillman on Wednesday June 22 from 1:00 PM to 3:30 PM. Due to the route and her tight schedule, this is the only date and time available.

Skeeter's 20 minute assembly program is entertaining, but educational as well. She "teaches" the students in a fun way. Skeeter incorporates History, Math, Spanish, American Sign Language, Listening, Following directions and Cooperation. She will ask for a few volunteers to help her on stage, and she will also do a little slight-of-hand magic.

### Jacques New Counter

Have you stopped by Jacques Family Restaurant to see the new counters?

### Blessing of the Bikes & ATV's

The 22<sup>nd</sup> annual Blessing of the bikes & ATV's event was a success with over 400 bikes stopping in Hillman to be blessed.

We would like to thank the sponsors and those who donated gifts for the event. We would also like to thank everyone who volunteered their time to make the event a success.
