## Easter Egg Hunt

### Firearm Safety Class

We have a local gun shop that is interested in putting on a gun safety class. We will bring you more information soon.

### Hillman Area Showcase

The Brush Creek mill will be doing a project with Hillman High School. We will be taking photos and videos of businesses, schools, and churches in the community for display at the Brush Creek Mill. We would like to know if some of you would like to have video or photos taken of the inside of your business. The students will be starting the footage after spring break around the 1st of April. Outside photos will be taken after the snow is gone. If you would like to participate or for more information, call Bob Theiner at 989-884-1551.

### Triston Cole Town Hall Meeting

We had a good turnout with 18 people showing up to hear what their state representative has accomplished throughout the year. Many brought questions for him.

### Brush Creek Mill Major Fundraiser - Spaghetti Diner

There was a fundraiser event at Hillman Elementary school on February 25 with Roadkill Jack and his band performing. It was a great event.

### Fireworks

Due to the fact that we were not able to get the 4<sup>th</sup> of July for the fireworks show, the board voted to combine the 4<sup>th</sup> of July show and the V-J Day fireworks shows into one event being held on Aug 12<sup>th</sup>.

We also have decided to combine the chambers efforts and the VFW's efforts to promote the V-J Day of which there is talk of having several events and groups to have more events on that day.

More news will follow in the next chamber newsletter.

### 3 Chamber Meeting

There was a meeting between the Atlanta, Hillman, and Lewiston chambers on Feb. 22 where members of the 3 chambers discussed coordinating events and assisting with all the festivals. We are also combining efforts to work on marketing grants.

### Tigers in the Playoffs

We are again fortunate to have the boys and girls basketball teams in the playoffs. We wish them all the luck at the playoffs. They are another group that represents the Village of Hillman extremely well.
